Christian Pipal

Senior Research and Teaching Associate · Department of Communication and Media Research
University of Zurich · Andreasstrasse 15 · CH-8050 Zürich
c.pipal@ikmz.uzh.ch · www.christianpipal.com

Academic Positions

University of Zurich, Department of Communication and Media Research
Senior Research and Teaching Associate 2024–present
Research and Teaching Associate 2023–2024
Course Instructor 2022–2023

LMU Munich, Dept. of Media and Communication, Research Unit CCS
Visiting Researcher (CSS@LMU Fellowship 2026) Jan. 2026

Fachhochschule Graubünden und Universität Fribourg, Institute for Digital Communication and Media Innovation (IDCMI)
Course Instructor 2023–present

University of Amsterdam, Department of Political Science / Hot Politics Lab
PhD Candidate 2019–2023

University of Vienna, Dept. of Communication / Computational Communication Lab
Visiting Researcher 2020–2021

University of Vienna, Department of Government
Course Instructor 2018–2019

Education

University of Amsterdam, PhD in Political Science 2024
Thesis: "Blueprints and fingerprints: Politicians' use of emotional appeals in European democracies"
Supervisors: Gijs Schumacher, Mariken A. C. G. van der Velden, Bert N. Bakker

University of Tartu, MA in European Union and Russian Studies 2015

University of Vienna, BA in International Development Studies 2013

Research Interests

Substantive: Political communication; digital platforms and algorithmic publics; political influencers and emerging communicators; opinion formation; visual communication.

Methodological: AI/LLMs for social research; computational social science; multimodal analysis (text, image, video); open and reproducible science; quantitative methods.

Teaching

Undergraduate. Introduction to Communication Science and Media Research (Lecture), U. of Zurich, 2024. Bachelor Thesis Seminar, U. of Zurich, 2023, 2024. Digital Political Communication (Research Seminar), U. of Zurich, 2022, 2023. Research Project I, U. of Amsterdam, 2022. Politics, Media, and Communication, U. of Amsterdam, 2021. Quantitative Research Methods, U. of Vienna, 2018.

Graduate. From Likes to Votes: Political Social Media Influencers (Research Seminar), U. of Zurich, 2025. Communication Science Theories and Methods / Introduction to Python, U. of Fribourg / FH Graubünden, 2023, 2024. Quantitative Text Analysis, U. of Amsterdam, 2020. Guest lectures on Multiverse Analysis, Open Science, QTA, U. of Amsterdam, 2020–2022.

Workshops. GESIS Spring School, Introduction to R, Mannheim, 2024, 2025. Workshops for Ukraine, Introduction to Video Analysis with Python, 2024. GESIS Autumn School, Introduction to R, Mannheim, 2023. COMPTEXT Pre-conference Workshop, Joint Sentiment-Topic Modelling in R, Dublin, 2022.

Advising

Torill Noemi Sigg (exp. 2026), U. of Zurich, MA. Anna Maren Lichtensteiger (exp. 2026), U. of Zurich, MA. Astrid Profos (2025), U. of Zurich, MA. Helen Kleinschmid (2025), U. of Zurich, MA. Josephine Behna (2024), U. of Zurich, MA. Jan Haag (2023), U. of Zurich, MA. 13 BA theses (2023–2025), U. of Zurich.

Professional Service

Member, Berufungskommission (appointment committee), IKMZ, U. of Zurich, 2025–2026.

Special Issue Editor, "From Memes to Movements," *Frontiers in Computer Science / Communication / Political Science / Sociology*, ongoing.

Ad-hoc Editor, *Frontiers in Sociology*, *Frontiers in Psychology*.

Speaker, Computational Methods Working Group, U. of Zurich, 2023–2024.

Co-organizer, ICA Hackathon, Toronto, 2023.

Co-organizer, Hot Politics Lab Speaker Series, U. of Amsterdam, 2020–2023.

Reviewer for: *Political Analysis*, *Communication Methods and Measures*, *Computational Communication Research*, *npj Artificial Intelligence*, *The International Journal of Press/Politics*, *Political Psychology*, *Research and Politics*, *Journal of Elections, Public Opinion, and Parties*, *Party Politics*, *Nature Scientific Reports*, *Humanities and Social Sciences Communications*, *SCM*, *Swiss Political Science Review*, *Data and Policy*, ICA, ECREA, DGPuK, SAGW.

Media Engagement

Expert commentary and background interviews on digital political communication, social media, and political influencers for Swiss national media: *SRF*, *Watson*, *Blick*, *20 Minuten* (ongoing since

2023).

Media literacy workshops for scout groups in Vienna: critical engagement with social media, fake news, and self-presentation (ongoing since 2024).

Software and Programming

Advanced: R, Python, SQL, LaTeX, Amazon Web Services, Microsoft Azure.
Intermediate: Bash, Unix, HTML, CSS.

`sentitopics`: R package for joint sentiment-topic models.
`mexca`: Python package for multimodal emotion recognition.
